Our Educational Achievements

We have created professional resources to ensure the "New Horizons" journey continues. Here is what we achieved:

- 🎨 **Creative Activity Book:** A practical collection of step-by-step workshops, from "Miniature Art" to "Theater of the Oppressed," designed to be easily implemented by any educator.
- 💡 **Practical Tips & Digital Guide:** A toolkit of "ready-to-use" advice, including AI-supported tips (like Gemini Storybook) and digital safety rules to protect and empower young people online.
- 🌐 **Multilingual Resources:** To reach more people and create a wider impact, we translated our core methodologies into partner languages, making social inclusion accessible for everyone.
